SUPERTRAM

Our Complaints Handling Process

We are committed to improving the service we provide to our customers and your feedback is invaluable in helping us know how we can shape further improvements to our service.

No matter how hard we try, unfortunately sometimes things can go wrong which means we cannot provide the high level of service we aspire to give to all of our customers.

If you are not happy in any way, we will take your comments or complaints very seriously and do everything we can to put things right for you.

We encourage our staff to resolve any problems or complaints that you may have about our service immediately, so please do speak to our staff in the first instance. If they are unable to resolve the issue, please contact our Customer Service Team, who can assist you on weekdays between 8.30am and 5pm.

There are a number of ways you can contact us to make complaint. When making a complaint and to help us investigate the issues you have raised, please include full details of everything relevant to your complaint. If you are making a complaint about a particular journey, please include the date, time of your journey, where you boarded and left the tram, the route you travelled on and the tram number if possible.

We may also require details of your ticket. If you are writing to us by letter or email, please also include a daytime contact telephone number to help us to clarify points with you in greater detail.

Details of how to contact us are also available:

- On our website, **www.supertram.com**
- On posters on our trams and tram stops
- In printed timetables and leaflets
- On Twitter

Details of how to contact Transport Focus can be found in section 8.

We understand that some people who have specific access requirements, or whose first language is not English, may have difficulties communicating with us. We handle these cases sensitively and give our responses in an appropriate format. We will be happy to accept complaints or feedback from guardians, carers or support workers, on behalf of a passenger with their permission or authority.

Copies of this Complaints Handling Process are available on request in large format or as a live PDF document that is compatible with screen readers. Printed copies will be posted to customers within 2 working days of being requested.

2. How we will deal with your complaint

Our complaint handling process is simple and easy to use, a copy of the complaint handling procedure that we use is available on request. If you make a complaint or provide feedback to us, by any contact method, we will enter details, and a full record of any contact made, onto our confidential Customer Care Management System. The team of fully trained staff will review every contact to identify if the content is a complaint about our service.

Details are then passed onto the appropriate management team for investigation as well as producing reports. These are then analysed for service improvements and regulatory monitoring.

If you have provided a daytime telephone number, we may try and contact you by phone to resolve the issue, or obtain further information about your complaint, to assist in the investigation. We will undertake a full and fair investigation into your comments and make every effort to provide answers or explanations to the issues you raise.

Wherever possible, a complaint will be handled by an individual member of the team, from receipt to reply. If the complaint relates to a member of our staff, we will confirm that an internal investigation has been carried out and appropriate action taken. However we are not able to inform you of any specific action taken against an individual due to staff confidentiality and data protection.

- If you are unhappy with our first response and contact us again, a manager/team manager will review your complaint and issue a second response within 20 working days.

This will also provide details of the role of Transport Focus and how to contact them.

- If you remain unhappy in relation to your complaint, you can contact us again or contact Transport Focus (contact details are shown later in this document). They are able to review your complaint and make representation to us on your behalf. We will provide a full response to Transport Focus and the customer within 10 working days.
- We reserve the right to terminate any correspondence that we believe to be frivolous, vexatious or abusive. We will fully consult Transport Focus before we terminate any correspondence and we will advise you in writing of the reasons behind the decision. We will comply with the principles outlined in the Office of Rail and Road Complaints Handling Procedures Guidance for dealing with frivolous and vexatious complaints.

Please note that in addition to this, The Alternative Dispute Resolution for Consumer Disputes (Competent Authorities and Information) Regulation 2015 requires us to advise you of an 'Alternative Dispute Resolution' organisation for your complaint. In our case this is The Consumer Ombudsman www.consumer-ombudsman.org. However, as Transport Focus already provide a mediation service for customers in the rail industry, we do not make use of the ADR process and correspondence to the Consumer Ombudsman will be redirected to Transport Focus.

Where we are contacted by a third party company on behalf of a passenger, we will deal with the third party company provided that the customer has given their written consent for us to deal with the third party.

3. We will respond to your comment or complaint as quickly as possible

- If you contact us in writing, we'll acknowledge your comment or complaint within five working days of us receiving your contact. However, it may take longer to provide a full reply (e.g. if an investigation is required) and if this happens we will send you an acknowledgement within five working days and reply within 20 working days. If a full reply cannot be made within 20 working days we will regularly contact you again to update you until a full response can be made.
- We will respond to 95% of comments and complaints within 20 working days.
- We will use all reasonable endeavours to keep to our promised response rates even if there is an unexpected increase in the volume of complaints being received.
- Any complaint or claim referring to another operator will be passed on to the relevant party within 5 working days of receipt and we will provide the customer with details of whom it has been passed to.
- If you telephone us to make a complaint or comment, we will do our best to resolve it during that call. If we cannot immediately resolve the issue at the time of the call and have to write to you, we aim to respond in the same timescales as for written correspondence shown above.

4. Social Media

We are committed to providing relevant content and high levels of customer service via social media channels, such as Twitter. We will respond to all complaints, where appropriate, in a timely manner. If we are unable to resolve your complaint via social media, we will provide a link so a formal complaint can be made. If we have to write to you, we aim to respond in the same timescales for written correspondence as detailed in section 3.

5. Penalty Fares

If your complaint relates to the issue of a Penalty Fare and you want to make an appeal you must do this, in writing, within 21 days of receiving the notice. The team can be contacted at Stagecoach Supertram, Nunnery Depot, Woodbourn Road, Sheffield S9 3LS or via any of the contact channels detailed above.

6. Claims for loss, property damage or personal injury

If you wish to make a claim against Stagecoach Supertram for loss, property damage or personal injury, please contact us using the details provided in section 1. The team will either deal with your claim or pass it to our Insurance and Claim Handlers.

In accordance with our conditions of carriage Stagecoach Supertram will not be liable for compensation for delays or cancellation of tram or Tram Train services.

The rail industry has a statutory arrangement, called the Claims Allocation and Handling Agreement (CAHA). Stagecoach Supertram must comply with the CAHA and your claim will be dealt with in accordance with this agreement. Under the CAHA, compensation should be dealt with by the companies for their own customers. If some or all responsibility is allocated to another party, the insurance companies balance payments without involving the customer.

**CAHA Registrar LTD, Eversholt Street,
London, NW1 2DN**

7. Confidentiality

To allow us to effectively deal with complaints we have to record some personal information, this is limited to names, addresses, contact details and details of complaints and correspondence. We do not ask for, nor do we retain any bank or payment details or information such as date of birth. The information is stored securely with access limited to the system administrators who deal with the complaint.

We will ensure that your confidentiality is protected. However, please be aware we may disclose some or all of your details to a third party without consent where it is necessary for us to fulfil our own obligations. This includes providing information to bodies such as other

Train Operating Companies, Bus Operating Companies, Transport Focus, insurance companies, The Department for Transport, The Office of Rail and Road or Members of Parliament. It also includes any such body in carrying out their statutory duties - for example, the Police.
